

Science Art Cinema Series 1, Episode 4: Science Art Cinema Film Festival

www.frostscience/sacfestival

Frost Science is seeking submissions from Miami-Dade County High School students. With science at the core of its mission, the museum is seeking short science films, short science and science fiction films informed by art, and short art films informed by science and science fiction.

GUIDELINES

- All submissions must contain original material, and must have been created within the last two years.
- All submissions must be accompanied by (i) an up to 500-word film statement summarizing the film and clearly stating the role science plays in it; and (ii) a brief bio of the applicant(s).
- Entries must have a running time of no longer than five minutes in length.
- Vouchers are to be made available for Free submissions for Miami-Dade County High School students.
- All filmmakers will be notified by email as to the status of their submissions.
- By submitting you grant Frost Science and its partners the right to share your work through its channels.
- The deadline for submissions is February 14, 2017.
- A public screening of the official selection will take place on April 27, 2017 at Frost Planetarium.
