Teachers, community partners, and high school students, we need your time and expertise to make the Miami-Dade Science, Technology, Engineering, Arts, and Mathematics (STEAM) Expo a success. Support Miami-Dade County students as they present their projects before the scientific and engineering community. Without you, students would not receive rewards and recognition at the local, state and national level that they truly deserve!

Science Fair

and SECME Need YOU!

Miami Dade College, North Campus

February 9 and 10, 2018

Department of Science

305-995-1701 (Science Fair)

305-995-1471 (SECME)
